

On Demand Internships for Any GPA

BOCA RATON, FL -- On Demand—first music, then videos and books, and now—Internships

Who are they?

Career Placement Recruiting, or “CPR,” has set up internship programs for various companies with overwhelming success for 10 years. Internships through CPR are completely “On Demand,” and placement is guaranteed for any student who applies.

What are their requirements?

CPR works with **any student** to provide them a fair chance in internship placement regardless of academic standing or time of application.

Processing and administration fees **apply**; however, the benefits for choosing CPR are endless.

CPR offers:

- No GPA requirements
- No experience requirements
- Internships available year round
- Virtual (off-site) internships
 - Work from any country
 - Work from your home or dorm
- Certified Resume Writing
- Certified Career Advisory
- **Decorated** experience towards any students' future

How do I start?

Simply visit the Career Placement Recruiting website at cpr4me.com to jumpstart your professional career or to find any additional information.
