

## Dense Smoke May Be Generated While Burning:

by Mary Adams

*And priests in black gowns were walking their rounds  
And binding with briars my joys and desires.  
- William Blake, AThe Garden of Love@*

Remove all plastic parts. Please  
remove boots & leave them here.  
Remove tie, rings, watch, and other  
jewelry. Roll up sleeves.  
Linen Table: Please

do not remove. Please take off shoes,  
stamp off dirt and snow.  
No humming. This information was obtained  
from sources we believe  
reliable To turn the heat

off, put on/ off= button  
in the off position. No motor  
oil containers. Place all paper,  
glass, and plastic in  
the blue containers. Remove the liners. Flatten.

We recycle. Please set bottles  
next to trash. Please remove all  
product samples, except inserts. Call  
staff if inexplicable things  
are happening. Thanks! PS:

Tread lightly, too. Quiet Please:  
yoga in progress.  
No entry. Do not open. No egress. . .  
Note: Do your best to climb stairs quietly,  
especially at night. Thanks. . .

Do not use these stairs.  
*Ceci n'est pas une porte!*  
Get everyone out of the building.  
Don't forget to unlock both the doors.  
When using shower, please chop

cantaloup in four strips, then six pieces.  
A word about viruses:  
we recommend  
you use protection  
to reduce the risk of a transmission.

This is a garbage can. Please use another  
bathroom for the time being.  
Thanks. Please wipe the tub. This liquid might  
cause irritation, frostbite.  
Children, elderly and disabled are

at highest risk of scalding. Get advice  
if you're not thoroughly familiar  
with the operation of the circular  
saws. Wash with soap and water.  
Special fire procedure: refer

to pamphlet: *Handling Acetylene Cylinders  
in Fire Situations.*  
Resuscitate if needed. The conditions  
of handling or disposal  
are out of our control

and well beyond our knowledge. To extinguish:  
contact our suppliers.  
Prevent fires.  
Ingestion of the sand-  
er belt not recommended. Keep your hand

out of the saw-blade's path. Fire brigade  
should follow OSHA  
standards. Smoker,  
go across the street. Don't smoke  
on loading dock

or in front of gallery. Product is a known carcinogen  
in California. Please  
don't smoke in studios. Thank you. Keep  
your head out of the fumes.  
Lack of oxygen causes death. Keep the rooms

smoke free. Thank you. *Defense  
de fumer.* Do not change  
the setting in the fridge. *Gracias.* Don't discharge  
directly into face.  
Do not induce

vomiting. Please do not spin pizza spinners.  
No exercise B not even  
yoga. No halogen. Turpentine-  
free zone. No fixative. Turn  
light-switch off. Don't leave the incense burning.
